# H300 Full HD camcorder

## Always at the ready

Packed within its chic and compact design, the H300 has all the must-have features for capturing life on the go, including 30x optical zoom, advanced picture clarity, OIS (Optical Image Stabiliser) Duo image stabilisation - and a long battery life to ensure you are always at the ready.

The H300 camcorder also features a brilliant 3" LCD screen, which lets you relive captured moments straightaway and with amazing picture clarity. What's more, the H300 lets you pause/record, allowing you to pick up where you left off, without creating lots of individual video files.

# Q10/Q11 HD camcorder

## Supreme Ease of Use

Operated with either your left or right hand thanks to its handy Switch Grip, the Q10/Q11 features an intuitive Smart Touch 3.0 LCD screen, which makes shooting and watching content easier and more enjoyable.

Your precious moments will be captured with amazing depth and clarity thanks to BSI CMOS sensor technology. The built-in OIS minimises shaky handling for smoother images. Like the H300, the

Q10/Q11 lets you pause/record, allowing you to pick up where you left off, without creating lots of individual video files.
